

My Property For Sale

Description:

The low, one-off fee pays for you property to be listed until it is sold.

At My Property For Sale, we list property for sale throughout the whole of the UK, we are one of the original "For Sale by Owner" websites, advertising with us will guarantee that your property will be seen!

Selling your house? Give your property the maximum exposure it needs to achieve a sale. Sell your house privately online with our winning home sales package.

Buying a house? Search our property listings by county, bedrooms and price.

When you find a home you would like to view contact the seller direct from their home selling page.
